

Helpful Hints to Understand & Complete the Forms!

On the Dues Statement

- Membership Category - Make sure we have the correct # of sites and dues amount. (Since you are building you fall in the 0-25 sites)
- **As a New Member, include the \$50.00 first time set up fee.**
- Also as a new member you receive the Enhanced Listing free in next year's TEXAS guide; \$895.00 value. Please provide us with a photo and slogan (in the printed guide)
- 'Direct Link' to your website from the state association website's Search Results page – normally \$75.00 per year, this feature on the state association site is your best value option and is **INCLUDED for all new members!**
- Additional Reference Listings under Other City categories in the guide – \$75.00 per additional city / area listing – write the city or cities on the line provided and again on the Listing Forms (This is for the printed guide.)

Contact Park Information Page (All info is kept confidential!)

- Give us your current email address. Email is our primary communication for monthly member updates and notifications regarding natural disasters (like hurricanes), legislative alerts (asking members to contact their legislators), and public relations campaigns (to promote your park).
- This form provides critical information regarding park ownership, management, discounts, additional newsletter mailings, shipping address (for TACO guides), etc.

Guide Listing Forms To see the on line version of the TACO guide go to [texascampgrounds.com/interactive-guide](https://www.texascampgrounds.com/interactive-guide) (This will be for the 2022 Guide on line, and the 2023 printed Guide.)

- In Section I –Use the box to provide a map (You can Google your property; zoom out to nearby highways; print, scan & e-mail to me.) Our artist will create the map.
- In Section II –Use the 360 character listing grid to really sell your park benefits – don't waste a lot of space duplicating items already on the Services & Facilities list – sell the sizzle, not the steak! (If you want to e-mail this to me at rhodes@texascampgrounds.com that's fine. Just make sure you don't go over the 360 character limit. (A word doc will count your characters.)
- In Section II – if you are giving us additional cities or areas (like Houston area) for a Reference Listing to appear, be sure to include \$75.00 per city / area Reference Listing on the Dues Statement (This is for the printed TACO Guide.)
- In Section III – check the Texas Saver Card discount program that applies to your park
 - Note: Choose a Red Star to honor a 10% discount on daily rates or No Star means no discount given
- In Section IV – make sure you have all the Services & Facilities marked that apply to your park
