Your participation in this exciting ever-growing and incredibly exciting event will insure . . .

- An extensive government affairs program to protect & promote your business interests.
- Enhanced current member benefits & develop new programs.
- Increased promotion of member campgrounds with TACO Guides distributed at RV Shows and a variety of other targeted programs.
- Increased membership to support TACO and industry ideals.

Thanks to the generosity of the membership and industry friends, TACO membership has more than doubled in the last 10 years. TACO has an industry lobbyist to protect your business interests. We need your help to make this year's Auction the biggest and best in TACO history!
